

# Residential Living

Key Feature Statement  
Reynella Lodge Old Reynella

## 7 Railway Terrace Old Reynella

Reynella Lodge is one of Life Care's five Residential Living communities. It is located in Old Reynella and close to public transport. Reynella Lodge has been designed to create a community environment that focuses on a high quality of life and provide all residents with opportunities to 'Live Every Day'.

Reynella Lodge features a wide range of indoor and outdoor areas for residents and their families to enjoy.

Our resident rooms are in small groups of 14-16 with a shared dining area where residents enjoy meals from an à la carte menu cooked on-site using a bain marie service.

Rooms are designed to maximise natural light and offer garden, courtyard or street views. Residents are encouraged to personalise their rooms with their own chairs, pictures and small mementos and make it individual, homely and familiar.

Our residents are encouraged to engage, participate and become actively involved in the Reynella Lodge community. There are regular social outings and activities, tailored to residents' interests, including excursions, exercise classes, table games, arts and crafts, men's groups, bingo, gardening, knitting, cooking and visiting groups.

Life Care also helps residents stay connected with their own communities and clubs wherever possible with the assistance of volunteers.

Residents' health, fitness and well-being is supported by allied health professionals, their visiting doctor and Life Care's caring and skilled team.

At Life Care we can give you peace of mind, and the support you need.
