

# Residential Living

Key Feature Statement  
Glenrose Court Glen Osmond

## 550 Portrush Road Glen Osmond

Glenrose Court is one of Life Care's five Residential Living communities. It is located in the leafy Eastern suburbs close to Burnside Village. Glenrose Court has been designed to create a community environment that focuses on a high quality of life and provide all residents with opportunities to 'Live Every Day'.

Glenrose Court features a range of modern indoor and outdoor areas for residents and their families to enjoy.

Our rooms are designed to maximise natural light and offer garden or street views. Residents are encouraged to personalise their rooms with their own furniture, pictures and small mementos and make it individual, homely and familiar.

Residents enjoy meals from a seasonal menu cooked on-site and served in the various dining areas.

We have many communal lounge areas available for our residents and their visitors to socialise in.

Our residents are encouraged to engage, participate and become actively involved in the Glenrose Court community. There are regular social outings and activities, tailored to residents' interests, including excursions, exercise classes, table games, arts and crafts, men's groups, bingo, gardening, knitting, cooking and visiting groups.

Life Care also helps residents stay connected with their own communities and clubs wherever possible with the assistance of volunteers.

Residents' health, fitness and well-being is supported by allied health professionals, their visiting doctor and Life Care's caring and skilled team.

At Life Care we can give you peace of mind, and the support you need.
